## NEPTUNE DAYS REDONDO STYLE

Number one drum-beater for the coming Redondo Beach "Neptune Days-1959," Wally Stewart called yesterday wildly enthusiastic about his city's celebration, July 1 through 5th.

According to the affable young man, the Redondo C of C has gone all out to make the South Bay city king of all water involved spectacles.

For instance, boasting enthusiasts will be able to compete for prizes in six different categories in the "world's longest" boat parade, July 5. Owners of all size boats are urged to contact the hard working Wally at the Chamber's office on Diamond Street in order to compete for awards in categories listed as follows: "Most Original Theme for Big Boats," "Most Original Theme for Small Boats," "Best Dressed Big Boat," "Best Dressed Little Boat," "Funniest Boat on the Water," and "Most Colorful Crew."

KING'S TROPHY

Already entered in the boat parade is the All American Nut Company's 54 foot "Goober." This entry is diesel powered, sleeps 10 and cruises at 14 knots per. Other boats reported in range from an 8 foot dingy to several Chinese junks.

**CONGRESSMAN KING'S TROPHY**  
Besides Mayor Center's trophy, for Best Dressed Boat, any size, Congressman Cecil King has donated a perpetual trophy to be awarded to the Best Dressed Boat in the Water.

King's trophy to the winner is for one year possession. Ownership may be gained only if the boat wins for three consecutive years.

At 3:30 p.m., July 1, Captain De Vere Baker will lay the keel for his new raft, the Lehi V, in the King Harbor area. The captain hopes to take the raft on an 18,000 mile trip, which he says will take approximately two years in planning and travel. Baker was last year's King Neptune and started his successful trip to Hawaii as part of 58's celebration.

On Thursday, July 2, Captain Baker will present a lecture and color film of his "Adventures of the Lehi IV" at the Redondo Union High School auditorium.

## LES BROWN TO ENTERTAIN AT BALL

And for a bit of frivolity, Stewart echoed that Les Brown and his band will play for some 500 couples at the Neptune Ball Friday night, July 3, beginning at 9:30 p.m.

Other events scheduled for Neptune Days include Dory Races Saturday morning. Fireworks and carnival are planned for the glorious Fourth and outboard races for Sunday, July 5.

As an after thought, Wally reminded us to come for the Queen Contest and Coronation, at 7:30 p.m. at the high school July 1, promising the 10 finalists entered as a show compared only to the Miss Universe extravaganza.

## Faces Sentence

A 95-pound housewife will face probation and sentence hearing in Inglewood Superior Court July 24 after she was found guilty of three forgery charges by a jury.

Mrs. Clara May Kline, 27, of 19338 Beckworth Ave., was charged with issuing checks for \$95 and passing them at Torrance stores.

## Water Skiing Rental Plan Told by Firm

Rental of a complete water skiing outfit is now made available to every sports enthusiast through Aboco, Inc., which has its main office at 10518 South Atlantic Ave., South Gate.

The rental plan includes 1959 boats, 35-h.p. motors, skis, ski belts, tow lines and trailer. The firm also takes care of necessary insurance. The company has boats available at several pickup stations throughout Southern California.

Russ Townsend, managing director, points out that renting the equipment is considerably less expensive than owning boats, due to depreciation, maintenance and other expenses.

## Hot Rods Roll at Stadium Today

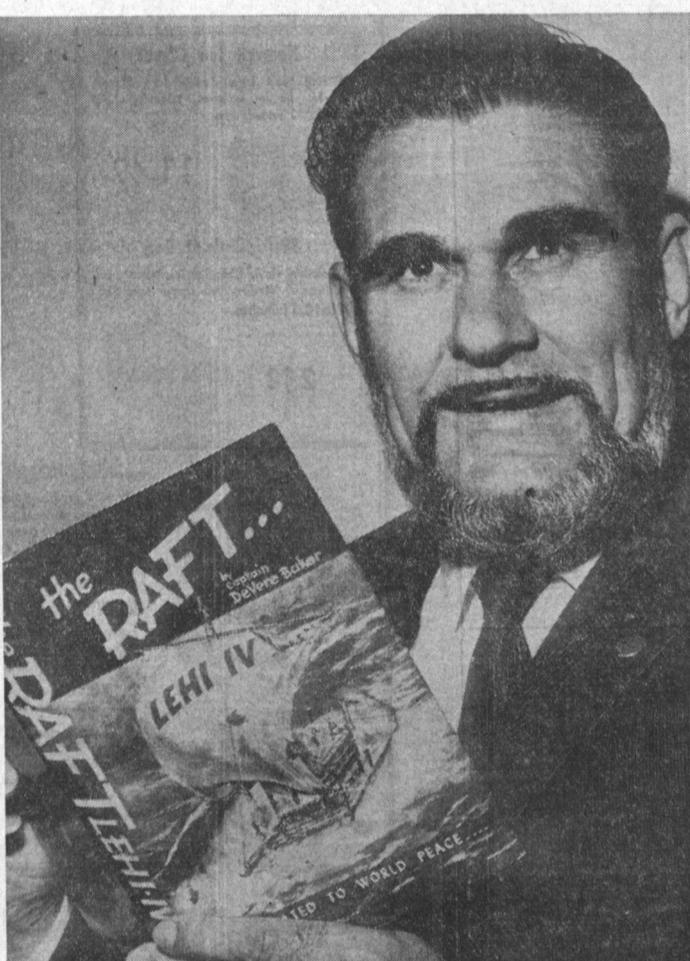

Fence-busting CPA hot rods cavort in their usual Sunday afternoon sessions highlighting the action on Gardena stadium's fast one-third mile clay oval as time trials begin at 1 and first race at 2:30 p.m.

Best bets for gaining the hot-rod checkered flags are Audie Madron, Art Atkinson, Ernie Young, Don Noel, Bobby Simmons, Fred Thomson, Bobby Hogle, Ed Van Eyk, Termit Snyder, the Lopiccio brothers, Bill Mangold, Chuck Townsen, Jack Brake, Jack Kelly and Paul Jones.

KING NEPTUNE—That's the role De Vere Baker, skipper of the Lehi raft explorations, will assume during Neptune Days to be staged in Redondo Beach next week. Baker has announced plans for an 18,000-mile trip on Lehi V, for which a keel-laying ceremony will be held. Here he is shown with the book he wrote about his adventures on Lehi IV.

## Torrance Girl Heads 'Swim Spectacular' Slated Nightly at Marineland Sea Arena

Jane Aull, a blue-eyed, blond beauty from Torrance, is the director and star of the Synchronettes, nine precision swimmers featured in the "Starlight Spectacular" stage and aqua show at Marineland every night except Mondays.

The slender, athletic miss heads up a "swim spectacular" within the over-all two-hour production by leading her synchronized swimming act through special routines and by herself executing graceful swan dives from the 18-foot platform on the stage at Marineland's Sea Arena, scene of the elaborate show.

Miss Aull, 24, has been the star of many water shows and has staged several since she grew up in Torrance. One year ago she created and directed a water ballet which was a starring attraction in opening ceremonies for the \$500,000

Linda received a \$800 certificate towards the purchase of a musical instrument at the Marshall Music Company.

She is studying at Los Angeles State College for a degree and certificate in elementary school teaching.

Jane now lives with her mother in Los Angeles, but her sister, Doris, and her husband, Pete Zamperini, live in Torrance at 2702 Ridgeland Rd. Zamperini is head of the physical education department at Banning High School.

## Shoup Looks for Thomsen Successor as Practice Ends

North High School wound up its spring football drills with a surprising display of passing and speed. Following the last practice until September, Coach Bob Shoup remarked, "This squad of 45 boys worked harder this spring than any team before at North."

Senior letterman Dick Hedgecock was elected captain for the coming season. Hedgecock was first team safety in 1958 and received honorable mention all-league. A swift runner at 160 pounds, Hedgecock has had experience at both end and quarterback on offense and will be expected to see service at both spots.

The big question at North is who will replace Ernie Thomsen, the Saxon big gun in 1958, at the fullback spot.

In spring drills, the lettermen in the line, nine of the 11 returnees are linemen, gave promise of another tough forward wall. Bill Claxton, 185; Dan Chadwick, 196; John Simpson, 192, and John Sibley, 222, were the standouts at end, tackle, center and guard.

Jerry Garothers, a smooth-passing B quarterback, and JV John McCall appear to give the Saxons depth at quarterback which they had never had before.

The balance of the backfield 5.

showed more speed but a big drop-off in size. The overall team weight will be down compared with the 1958 team. Letterman Jim Laird looked real sharp, as did Roy Dohmer, up from the championship B team. Eddie Jackola drew attention with his hustle and running ability. Jackola is a topflight wrestler at 175 pounds.

Pat Lininger, Ron Davis and Hedgecock all can run 10.5 hundred, which is faster than any back in North's history, and Davis is playing tackle. Ron Roach, a second team halfback last year at 180 pounds, also moves into the line to add speed.
